Congratulations to the sponsors and staff of the 1974 MUSTANG. Three magnificent years have passed since we set sail on the Roosevelt Luxury Liner seeking educational excellence. This continuous voyage could not have been successful without the stamina with which the Roosevelt family has cooperated with the staff and sponsors to produce a beautiful pictorial review of the 1973-74 school year. There is always a lot of work that goes into such a publication that probably goes without recognition; for this, we thank you.

The focal point, however, continues to be on you, the student in the 1974 MUSTANG. As you turn the pages of this MUSTANG, may you relive the happy, meaningful, and profitable days spent here at the Franklin D. Roosevelt High School.

Our school theme, A VOYAGE ON THE SEA OF EDUCATIONAL EXCELLENCE, suggests that our ultimate goal is to provide the best possible education for each student at Roosevelt High School. Our students are our cargo of precious jewels, and our teachers and staff compose a dedicated crew of educators who are qualified to enrich the lives of our students as we sail toward academic excellence.

As we look back on this school year, we see that it was a year of many exciting events. Hard work has allowed us to accomplish many things. Those of you who are seniors, and graduating from high school, are beginning a new step in your life. You must continue to work hard. Those of us who remain at Roosevelt High School will continue in the tradition of being loyal Mustangs.

As we go our many different ways we will have a pictorial review of the year's many events in the form of the 1974 MUSTANG. The MUSTANG sponsors and staff must be complimented for providing all of us with such a remembrance of the 1973-74 school year at Franklin D. Roosevelt High School.

Louis L. Bledsoe  
Assistant Principal

You read about a spectacular man who earned \$1 billion. You wonder how. Well, he did it by following the same rules and practices which will make you a successful person.

The billionaire, of course, is Aristotle Onassis, who attained much fame and publicity by marrying the widow of President Kennedy. People said he was lucky. He was dishonest. He had a pull. He knew how to buy his way.

All these things may be true, but, it is also true that he owes his success to hard work . . . and an eagerness to go ahead and do something.

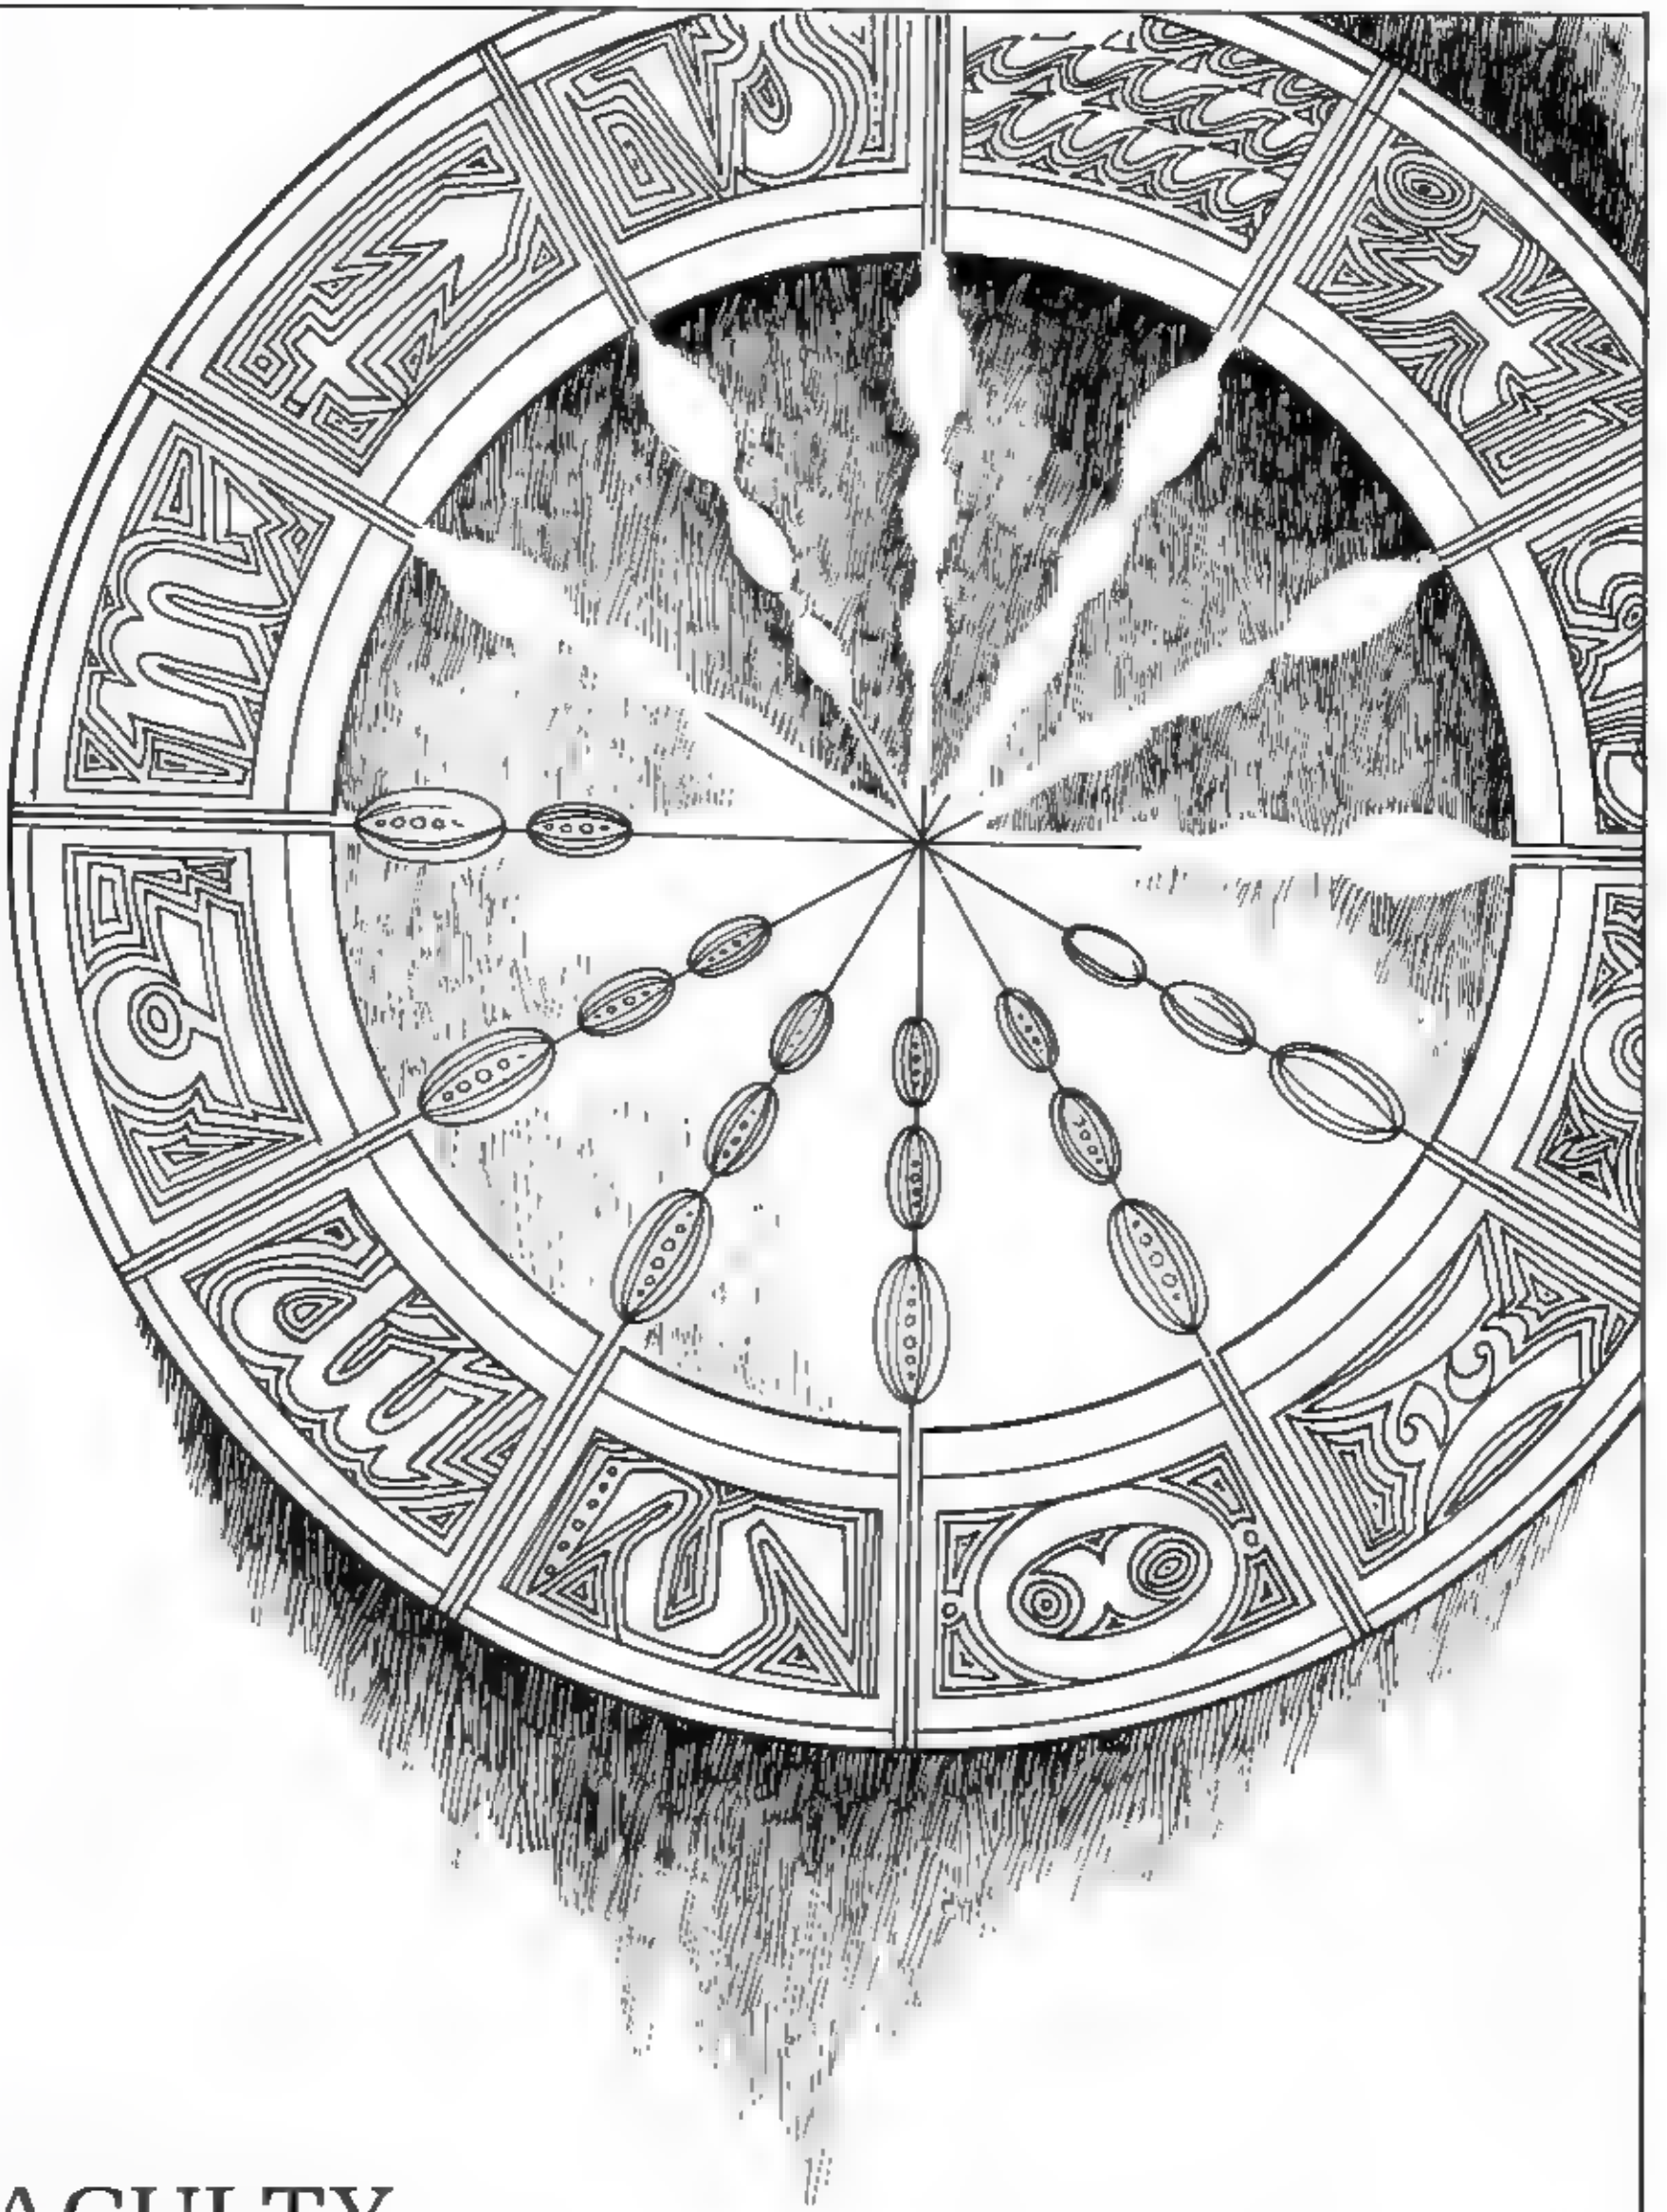

He still works harder every day than most Americans are willing to work. It's a success story which would be hard to duplicate, but the principles he followed would make you outstanding . . . hard work . . . and an eagerness to go ahead and do something.

Onassis just proved it . . . so can you.

THE BALL, THE ESCORTS, THE WALTZ,  
MY GOD WHAT A DREAM;  
THE CROWN BEING PLACED DOWN ON MY  
HEAD AS YOUR QUEEN;  
THE HANDSHAKES, THE APPLAUSE, THE  
BLESSINGS OF A FOUR LEAF CLOVER;  
YOU KNOW, IT'S HARD TO BELIEVE  
THAT THE CROWNING IS REALLY OVER.  
THE TEARS I WEPT, AND THE EXCITEMENT  
WHEN THEY ANNOUNCED MY NAME;  
ALL THE GRACE, LOVE, AND PEACE THAT  
I COULD ACTUALLY CLAIM;  
BUT, BEFORE I GRADUATE, THERE'S  
SOMETHING SPECIAL THAT I MUST DO,  
TO ALL THE PEOPLE AT DEAR OLD VLT,  
GOOD LUCK AND GOD BLESS YOU.

**ALL

JOHN  
WASHINGTON**

John Larry Washington has proven himself to be one of the greatest receivers in Texas prep history. His most acceptable proof is the fact that he was selected by both Varsity and Parade Magazines as a member of the All-American Football Team. As a sophomore he was selected All-District and Sophomore of the Year because of his 41 catches for 741 yards. His junior year brought him All-District, All-Greater Dallas, All-Metro, and All-State with 41 catches for 900 yards. His senior year brought him the same honors plus player of the year in two categories with 56 catches for 1,379 yards, the Texas all-time receiving yardage holder (3,973), a member of the Texas-Arkansas 60 man squad, and the Number 1 Blue Chipper in Texas.

ALVIN  
CRENSHAW**

The many awards and achievements of Alvin Crenshaw are too many to mention. However, among them, Alvin holds the World Indoor Prep record in the 440 yard dash. He is a Junior Olympic champion and record setter for the 880 yard dash, and is on the National Track Honor Roll. After three seasons at Velt, Alvin has run his name and talent into one of the all time best. He has broken over 20 track records and helped the Roosevelt track team into one of the finest of our time. In both his sophomore and junior years he was a member of the All-State Track Team. Perhaps the best way to describe Alvin's career is by the title placed on him by nearly 10 organizations - "All-American."

# Hey! Wait a minute...

You forgot something. When you left the room, your electrical appliances were still operating... to no one's benefit.

Lights on when there's no one around; music playing when there's no one to listen; air conditioning when there's no reason for it; that's inefficient, and inefficiency costs money.

Using electricity efficiently is something we all need to think about these days. So take a minute to turn off appliances when they're not in use. You'll be making a wise move.
